HCA HEALTHCARE UK

London Endometriosis and Advanced Pelvic Surgery Centre (LEAPS)

2nd HCA International Robotic Congress in Gynaecology

Royal Society of Medicine

1 Wimpole Street

London, W1G 0AE

22 January 2027

Congress President	Prof Mathew Wilson, Chief Operating Officer – Cancer Services
Scientific Chair	Mr Denis Tsepov, MRCOG, Consultant Gynaecologist, LEAPS Endometriosis Centre, HCA Healthcare UK

Friday 22 January 2027

08:00-08:30	**Registration and coffee**	Congress registration desk open

SESSION 1 | 08:30-10:00 | Congress Opening. Robotic surgery in benign gynaecology

Session chairs: Prof Mathew Wilson; Mr Denis Tsepov

Time	Topic	Speaker / lead
08:30-08:45	Welcome to delegates and faculty of the 2nd HCA Robotic Congress in Gynaecology	Professor Mat Wilson, Chief Operating Officer – Cancer Services; Congress President
08:45-09:00	Robotic surgery in endometriosis - see more, excise more, damage less	Mr Denis Tsepov, MRCOG, Consultant Gynaecologist, LEAPS Endometriosis Centre, HCA Healthcare UK
09:00-09:15	Robotic hysterectomy for large uteri and specimen extraction techniques	Dr Devin Garza, Consultant Gynaecologist, Texas Robotic Institute, HCA Healthcare, USA
09:15-09:30	Single port surgery in benign gynaecology - a game changer?	Prof Céline Chauleur, Chef de Service de Gynécologie-Obstétrique, CHU de Saint-Étienne, France
09:30-09:45	Robotic myomectomy - learning curve to achieve excellence	Mr Tony Chalhoub, Consultant Gynaecologist, LEAPS Endometriosis Centre, HCA Healthcare UK
09:45-10:00	Robotic urogynaecology update	Dr Laurent de Landsheere, Urogynaecology

SESSION 2 | 10:00-11:45 | Multidisciplinary robotic surgery in endometriosis

Session chairs: Mr Daniel Wilby; Mr Valerio Celentano; Mr Zeiad El- Gizawy

Time	Topic	Speaker / lead
10:00-10:15	MRI scan in endometriosis mapping - critical step in endometriosis surgery	Dr Priya Narayanan, Consultant Radiologist, LEAPS Endometriosis Centre, HCA Healthcare UK
10:15-10:30	Reconstructive Urology update in robotic endometriosis care	Mr Rajesh Nair, Consultant Urologist, London Bridge Hospital; LEAPS Endometriosis Centre, HCA Healthcare UK
10:30-10:45	Diaphragmatic and thoracic endometriosis excision - thoracic approach. Technique and outcomes.	Mr Andrea Bille, Consultant Thoracic Surgeon, London Bridge Hospital; LEAPS Endometriosis Centre, HCA Healthcare UK

10:45-11:00	Robotic endometriosis surgery - colorectal update and new surgical techniques	Mr Danilo Miskovic, Consultant Colorectal Surgeon, Wellington Hospital; LEAPS Endometriosis Centre, HCA Healthcare UK

Time	Topic	Speaker / lead
11:00-11:15	Multidisciplinary robotic care in endometriosis	Mr Zeiad El-Gizawy, Consultant Gynaecological Oncologist, Harborne Hospital, HCA Healthcare UK
11:15-11:30	Consent process for complex robotic gynaecology procedures in endometriosis	Ms Samantha Kirkwood, Post CCT Fellow, Royal Free Hospital, London, UK Dr Eugene Grobovenko, Specialist Trainee, Shrewsbury and Telford Hospital NHS Trust
11:30-11:45	TBA	TBA

SESSION 3 | 11:45-12:00 | Sponsor section

Session chairs: Dr. Thomas Hebert. Ms Sujata Gupta

Time	Topic	Speaker / lead
11:45-12:00	Sponsored talk INTUITIVE: robotic surgery in benign gynaecology - the future is here	Prof Gaby Moawad, Benign Gynaecology, Washington, USA

SESSION 4 | 12:00-12:45 | Robotic standards and innovation

Time	Topic	Speaker / lead
12:00-12:15	The Robot Is the Least Interesting Part	Dr Inna Sokolova MSc FRCOG Consultant Gynaecologist, University Hospital Crosshouse, NHS Ayrshire C Arran.
12:15-12:30	BSGE / Intuitive Surgical robotic training program	Mr Tony Chalhoub, Consultant Gynaecologist, LEAPS Endometriosis Centre, HCA Healthcare UK
12:30-12:45	Achieving Over 90% Same-Day Discharge Following Robotic Hysterectomy: Experience from a Gynaecological Oncology Unit	Prof William Parry-Smith, Professor of Obstetrics and Gynaecology at Keele University and Honorary NHS Consultant

12:45-13:30	**Lunch break and industry exhibition**	Exhibition area

SESSION 5 | 13:30-15:00 | Robotics in oncogynaecology

Session chairs: Mr Simon Butler-Manuel; Dr Enrica Bentivegna; Dr Thomas Hebert

Time	Topic	Speaker / lead
13:30-13:45	Can Robotic Surgery Be Greener? The Carbon Impact of Reusable Vaginal Retractors.	Ms Anupama Rajan-Babu, Consultant Gynaecological Oncologist, UK

Time	Topic	Speaker / lead
13:45-14:00	Single port robotic radical hysterectomy	Prof Enrico Vizza, Gynaecologist, Italy
14:00-14:15	Robotic surgery in gynaecological oncology: necessity or luxury in the era of precision cancer care?	Mr Ahmed Sayasneh, Gynaecological Oncologist, London, UK
14:15-14:30	Nodes surgery in cervical cancer Is it time to move on?	Dr Thomas Hebert, Gynaecology Surgeon, Tours, France
14:30-14:45	Docking and Surgical Strategy for Robotic Cytoreductive Surgery in Advanced Ovarian Cancer.	Dr Enrica Bentivegna, Gynaecological Oncology Surgeon, Paris, France
14:45-15:00	Robotic surgery in ovarian cancer	Mr. Simon Butler-Manuel, UK

PARALLEL SESSION 5A | 13:30-15:00 | Robotic surgery in gynaecology - a wider perspective

Session chairs: Ms Claudia So; Ms Viorica Burea; Dr Charlotte Maene

Time	Topic	Speaker / lead
13:30-13:45	HCA UK robotic program - current update and challenges	Prof Mathew Wilson, Congress Vice President, HCA Healthcare UK
13:45-14:00	Role of Clinical Nurse Specialist (CNS) in robotic endometriosis center	Ms Viorica Burea, CNS, LEAPS Endometriosis Centre, HCA Healthcare UK
14:00-14:15	Introduction to Neuropelviology: Navigating the Parametrium, Sacral Nerve Roots and Obturator Nerve During Robotic Excision of Deep Endometriosis	Mr Michael Adamczyk, Lister Hospital, HCA Healthcare UK
14:15-14:30	Robotic Theatre efficiency – the remarkable experience of Ostende	Dr Charlotte Maene, Consultant Gynaecologist, Ostende, Belgium
14:30-14:45	Chronic pain in endometriosis patients. What surgery cannot achieve?	Prof Roman Cregg, Chronic Pain Medicine LEAPS Endometriosis Centre, HCA Healthcare UK
14:45-15:00	Formula One robotic theatre	Ms Claudia So, Divisional Head of Robotic Operations, HCA Healthcare UK

15:00-15:15	**Coffee break**	Exhibition area

SESSION 6 | 15:15-16:45 | Robotic video talk show session: the future of robotic gynaecology

Session chairs: Mr Denis Tsepov; Prof Gaby Moawad; Ms. Nadine Di-Donato

Time	Topic	Speaker / lead
15:15-15:25	**Video 1:** Mastering Para-aortic Sentinel Node Mapping: Xi and Single Port, Transperitoneal and Retroperitoneal Approaches **Video 2:** Single-Port Robotic Fertility-Sparing Debulking Surgery for Struma Ovarii	Dr Enrica Bentivegna, Gynaecological Oncology Surgeon, France

Time	Topic	Speaker / lead
15:25-15:35	**Video 1:** Robotic Deep Rectosigmoid colon shaving for DIE **Video 2:** Robotic Nerve preservation and ureterolysis in DIE	Mr Denis Tsepov, MRCOG, Consultant Gynaecologist, LEAPS Endometriosis Centre, HCA Healthcare UK
15:35-15:45	**Video 1** - 5 min **Video 2** - 5 min	Prof Gaby Moawad, Benign Gynaecology, Washington, USA
15:45-15:55	**Video 1** - 5 min **Video 2** - 5 min	Mr Zeiad El-Gizawy, Consultant Gynaecological Oncologist, Harborne Hospital, HCA Healthcare UK
15:55-16:05	**Video1:** Robotic Sacro-colpopexy and ventral rectopexy using mesh **Video2:** Robotic unilateral pectineal suspension without mesh	Ms Roopa Nair, FRCOG, Robotic Gynaecological Surgeon, HCA Healthcare UK
16:05-16:15	**Video 1** - 5 min **Video 2** - 5 min	Mr Daniel Wilby, LEAPS Endometriosis Centre, HCA Healthcare UK
16:15-16:25	**Video 1** -Case of lateral and anatomical reimplantation of the distal ureter during hysterectomy for severe endometriosis **Video 2** - Case of unilateral nephrectomy in 2022 progressed to contro-lateral ureteric re-implantation and hysterectomy in 2026	Ms Nadine Di Donato, Consultant Gynaecologist, LEAPS Endometriosis Centre, HCA Healthcare UK
16:25-16:35	**Video 1** - 5 min **Video 2** - 5 min	Mr. Tony Chalhoub, The Wellinton Hospital, HCA Healthcare UK
16:35-16:45	PANEL DISCUSSION	All faculty members

16:45-17:00	**Congress summary, key learning points and closing remarks**	Scientific Chair and Congress President
