Contemporary Topics in Imaging and Management of Endometriosis Joint BSGI/BSGE meeting Mercedes- Benz World, Weybridge, Surrey

Friday, 10 November	2017
08:00-08:45	Re

08:00-08:45	Registration	
08:45-09:00	Welcome	
Session 1	Diagnostic approaches to endometriosis	
09:00-09:20	Origins of endometriosis and disease state	Jeremy Wright
09:20-09:40	Deep endometriosis – Ultrasound diagnosis and staging	Caterina Exacoustos
09:40-10:00	Imaging for endometriosis: a surgeon's prospective	Saikat Banerjee
10:00-10:20	Alternative Imaging techniques, including MRI and CT	Sue Freeman
10:20-10:30	Discussion	
10:30-11:00	Tea/Coffee Break	
Session 2	Debate: This House believes that endometriosis centres eligibility criteria must management of endometriosis	include imaging in the
11:00-11:15	For-	Nazar Amso
11:15-11:30	Against-	Tyrone Carpenter
11:30-11:40	Responses, Q&A and Vote	
11:40-12:30	Live scanning	
12:30-13:30	Lunch	
-		
Session 3	Contemporary management strategies	
Session 3 13:30-13:50	Contemporary management strategies Surgery for superficial peritoneal endometriosis	Chris Guyer
		Chris Guyer Ertan Saridogan
13:30-13:50	Surgery for superficial peritoneal endometriosis	·
13:30-13:50 13:50-14:10	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery	Ertan Saridogan
13:30-13:50 13:50-14:10 14:10-14:30	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis	Ertan Saridogan Alfred Cutner
13:30-13:50 13:50-14:10 14:10-14:30 14:30-14.50	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis Medical treatment options for endometriosis-do they really work?	Ertan Saridogan Alfred Cutner
13:30-13:50 13:50-14:10 14:10-14:30 14:30-14.50 14:50-15:00	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis Medical treatment options for endometriosis-do they really work? Discussion	Ertan Saridogan Alfred Cutner
13:30-13:50 13:50-14:10 14:10-14:30 14:30-14.50 14:50-15:00	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis Medical treatment options for endometriosis-do they really work? Discussion Tea/Coffee Break	Ertan Saridogan Alfred Cutner
13:30-13:50 13:50-14:10 14:10-14:30 14:30-14.50 14:50-15:00 15:00-15:30 Session 4	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis Medical treatment options for endometriosis-do they really work? Discussion Tea/Coffee Break Non-surgical management of endometriosis Research on non-invasive diagnosis and management of endometriosis	Ertan Saridogan Alfred Cutner Simone Ferrero
13:30-13:50 13:50-14:10 14:10-14:30 14:30-14.50 14:50-15:00 15:00-15:30 Session 4 15:30-15:50	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis Medical treatment options for endometriosis-do they really work? Discussion Tea/Coffee Break Non-surgical management of endometriosis Research on non-invasive diagnosis and management of endometriosis -what does the future hold?	Ertan Saridogan Alfred Cutner Simone Ferrero Simone Ferrero
13:30-13:50 13:50-14:10 14:10-14:30 14:30-14.50 14:50-15:00 15:00-15:30 Session 4 15:30-15:50 15:50-16:10	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis Medical treatment options for endometriosis-do they really work? Discussion Tea/Coffee Break Non-surgical management of endometriosis Research on non-invasive diagnosis and management of endometriosis -what does the future hold? Endometriosis and infertility/ART	Ertan Saridogan Alfred Cutner Simone Ferrero Simone Ferrero Dimitrios Mavrelos
13:30-13:50 13:50-14:10 14:10-14:30 14:30-14.50 14:50-15:00 15:00-15:30 Session 4 15:30-15:50 15:50-16:10 16:10-16:30	Surgery for superficial peritoneal endometriosis ESGE/ESHRE/WES recommendations on techniques for endometrioma surgery Surgery for deep endometriosis Medical treatment options for endometriosis-do they really work? Discussion Tea/Coffee Break Non-surgical management of endometriosis Research on non-invasive diagnosis and management of endometriosis -what does the future hold? Endometriosis and infertility/ART Is nerve sparing surgery for endometriosis a reality?	Ertan Saridogan Alfred Cutner Simone Ferrero Simone Ferrero Dimitrios Mavrelos Shaheen Khazali
