## **Advanced Gynae Laparoscopic Simulation Course** **Wednesday 8 November - Friday 10 November 2023**

**Education Centre 3, Chorley & District Hospital, Lancashire (PR7 1PP)**

**Course Director: Mr Georgios Angelopoulos**

A three day advanced laparoscopic simulation course for Trainees (ST5+) and Consultants in Gynaecology seeking to develop their skills in Gynaecological Minimal Access Surgery. The course offers a highly intensive hands on training opportunity.

Day 1 and Day 2 will be centred around our Live Theatre Operations comprising of benign Gynae cases, and dry lab opportunities. There will also be expert talks covering ergonomics, energy devices, laparoscopic complications, tips and tricks etc. Day 3 will provide opportunities for delegates to work through procedures such as myomectomy, TLH, in addition to developing their suturing techniques.

**Course fees: £700**
