

# Myomectomy – Laparoscopic vs Robotic

Wednesday 16th July 2025 6:00pm (UK time)

Laparoscopic versus robotic myomectomy... do we have a winner?

Join us for July's webinar when Jimi Odejinmi and Tony Chalhoub will debate the most effective approach for a minimally invasive myomectomy. Come and hear the evidence and decide for yourself!

**Moderator:**

**Ben Mondelli**

Consultant Gynaecologist,  
Royal Surrey NHS FT

**Moderator:**

**Angharad Jones**

Consultant Gynaecologist,  
University Hospital of Wales, Cardiff

## Time, Topic and Speakers:

18:00-18:10
