

AMBULATORY CARE NETWORK 2026

26th and 27th February

Learn

Presentations from national and international experts on topics relevant to outpatient hysteroscopy.

Discuss

Discuss interesting cases, address controversies and share ideas. Consider the changed landscape after Covid, learn about new innovations in practice and health technologies / pharma.

Collaborate

Be part of a national network, sharing good practice and filling gaps in evidence.

Register

£350 for BSGE member and £425 for non-BSGE member for Meeting only with lunch and refreshments.
