

## Joint BSGE/ESGE Pre-congress Workshop From Bleeding to Healing - New Frontiers in Uterine Surgery with live case demonstrations

### Overview

We are excited to invite you to a collaborative BSGE/ESGE session held during the pre-congress programme on 28th April 2026. This dynamic event will feature expert-led lectures in the morning, focusing on the latest advances and evidence-based approaches to the management of heavy uterine bleeding. In the afternoon, attendees will have the opportunity to observe live surgery, showcasing cutting-edge techniques and surgical excellence in real-time. Don't miss this unique opportunity to enhance your clinical knowledge and surgical skills alongside international leaders in the field.

\* The programme is currently provisional and may be updated as planning progresses.

### Who should attend?

This pre-congress session will be of particular interest to:

- Consultant gynaecologists and senior residents involved in the management of abnormal uterine bleeding.
- Gynaecological surgeons wishing to update their knowledge of advanced hysteroscopic and endoscopic techniques.
- Fellows and trainees in gynaecology and minimally invasive surgery.
- Theatre nurses, nurse specialists, and allied health professionals working in women's health or perioperative care.

Whether you are an experienced clinician or developing your surgical expertise, this session offers valuable insights and practical learning from UK and international experts in the field.
